Dear Friends of Roger Bacon,

What a dramatic year we all experienced during the 2019-2020 academic year! What started as a very promising and bright outlook, very quickly turned into an environment of change, unknown and significant challenge for our faculty, staff, students, families and the Roger Bacon community as a whole. Some of the highlights of the early part of the year include:

• Another solid opening enrollment of 498 students. The interest in and reputation of Roger Bacon High School remains very strong in our market.

• The Outreach Board continues to provide many service opportunities for Roger Bacon students to make a difference in the lives of others, particularly the less fortunate.

• Reopening and dedication of the renovated Bron Bacevich Memorial Stadium. Improvements included a paved parking lot, storage buildings, new automobile and pedestrian entrances, landscaping and a number of other improvements.

• Another class of 22 Assisi scholars was sent on a pilgrimage to Assisi and Rome to experience our Franciscan charism at another level.

• A number of our athletic teams experienced banner seasons including deep runs in the end-of-year tournaments.

• The drama guild performed a dramatic and emotional rendition of The Diary of Anne Frank along with many other fine arts offerings.

There were other academic, athletic, spiritual and extracurricular activities that highlighted what looked to be a very positive year. Then came March and everything changed dramatically and immediately. Governor DeWine announced the closing of the schools and the shutdown of the bulk of the economy due to the coronavirus pandemic. Face-to-face instruction was replaced with online learning. Athletic and extracurricular activities were stopped. We were faced with a “new normal.”

I am very proud to say that our Roger Bacon community made the necessary adjustments to manage in this new environment. Alums, friends and other supporters reached out to help individuals and families most adversely impacted by the pandemic. We did whatever needed to be done to maintain our standards of compassion and quality as much as possible.

Probably more than any other year, we want to thank EVERYONE so much for your support, encouragement and prayers. It is so gratifying to know the many people who stepped forward to offer whatever help they could. Make no mistake, this annual report reflects the generosity of so many that make Roger Bacon the special place it continues to be. Our heartfelt thanks to everyone who has contributed in any way to enable us to continue to make a difference in young lives and the world within which we live.
