Annual Report

Dear Friends of Roger Bacon,

This school year has been unique and challenging to say the least. COVID-19 and all the pandemic related issues have cast a shadow across the educational landscape in America. Even though we proudly offered in-person class, 5 days a week throughout the school year, Roger Bacon was impacted in a myriad of ways. Students were masked the entire year. Social distancing became a way of life. Participation and support of extracurricular activities, to include sports, dances, plays, and concerts, were either curtailed or cancelled altogether. Through it all, Roger Bacon not only endured, but excelled. Some highlights of the year include:

- *Our enrollment stayed strong – increasing to 521 students at the beginning of the school year.*
- *Community service, a bedrock of our Franciscan charism, remained vibrant even in the face of pandemic-related challenges. Six Roger Bacon students were recognized with prestigious Presidential Volunteer Service Awards.*
- *Athletics continued to shine. The football team made it to the Final Four and 14 students in the senior class signed to play athletics at the collegiate-level, led by Corey Kiner (Mr. Football in Ohio) and Kylee Sheppard (an all-state athlete in two sports). Additionally, two seniors – Natalie Borgert and Rory Murphy – were named Academic All-Americans.*
- *Our Valedictorian (Claire Hogshead) and Salutatorian (Grace Hogshead) are sisters (actually triplets) – the first time this has happened in Roger Bacon's history. Coming to Roger Bacon from St. Ignatius elementary school, Claire plans on studying chemistry at the University of Dayton while Grace will study marketing at Miami University.*
- *Our Fine Arts continued to excel, both on stage and in local and regional competitions. The Drama Guild performed "Suspense – A Radio Play" and "Once on This Island." Twenty-six students won 85 awards at the regional Scholastic & Writing Awards. Erin Kennedy won a silver-medal at the national level – placing her in the top 1% of all submissions!*

We are extremely grateful for the support of our Roger Bacon community during these uncertain times. I have a poster in my office with the saying: *"The greater the adversity, the brighter the light of opportunity."* With your prayers and support, Roger Bacon has been the "light of opportunity" for a growing number of students and families. Please keep us in your prayers as we move confidently *"forward to greater things."*
